

Mineral-Cream-Blends

from Pflüger

For Skin- and Body Care with essential Minerals and valuable nourishing Oils

Feel comfortable in your Skin

The Mineral-Cream-Blends

To remain healthy and powerful, minerals are vital for our body, and of course for our skin. Thus, venous problems, as well as joint- and muscle afflictions, but especially also certain skin problems, can indicate a deficiency of essential minerals. This is where the Mineral-Cream-Blends from Pflüger apply.

The Mineral-Cream-Blends from Pflüger provide the skin with nourishing oils, as well as with selected minerals that are essential for the skin metabolism. The assortment comprises 6 creams, whose mineral content specifically assists skin problems, as well as joint- and muscle afflictions, and venous disorders. The minerals are absorbed via the skin and act directly where required.

Additional advice: Complete the external application with the intake of Schüssler-Salts (tablets, drops, globules).

All creams are well tolerated, pH-neutral and 100% free of Paraffin and Microplastics.

For the supportive Care of the Skin

A in case of Acne

E in case of Eczema

G In case of Joint- and Muscle Problems

Ge for the Facial Skin

N in case of Neurodermatitis

V in case of Venous Disorders

Mineral-Cream-Blend A

A Supportive Skin Care in Acne

Blemished skin can occur at any age. The causes and severity are manifold. In any case, it is always a 'burden' for those affected. To improve the complexion, blemished skin, susceptible to acne needs the right care.

For an improved complexion, bad skin prone to acne requires the correct care. The **Mineral-Cream-Blend A** is attuned for the supportive skin care in acne. The mineral combination is particularly suited to purify troubled and blemished skin and to stimulate skin cleansing. Skin parts affected by acne are soothed and thus able to regenerate.

Almond oil nourishes the skin, castor oil acts anti-inflammatory and antibacterial (not comedogenic).

Minerals	Characteristic
Ferrum phosphate	anti-inflammatory
Potassium chloride	cleansing
Potassium sulphate	purifying, cleansing
Sodium phosphate	regulates sebum production
Silica	regenerates
Calcium sulphate	fosters healing processes

Mineral-Cream-Blend E

E Supportive Skin Care in Eczema

Eczema is an inflammatory reaction of the skin that can be acute or chronic. There are diverse causes, triggers, and phenotypes. A targeted skin care can be supportive.

The **Mineral-Cream-Blend E** is particular for the supportive skin care in eczema. The mineral combination is particularly suited to nurture dry, sensitive skin in case of eczema.

Apart from the selected minerals, almond oil nurtures the skin, castor oil has an anti-inflammatory and antibacterial effect.

Minerals	Characteristic
Ferrum phosphate	anti-inflammatory
Potassium chloride	cleansing
Potassium sulphate	purifying, cleansing
Magnesium phosphate	support the acid-base-balance
Sodium chloride	moisturising
Silica	regenerating

Mineral-Cream-Blend G

G Skin Care for Joint- & Muscle problems

Healthy joints and muscles are necessary for flexibility and mobility. No matter if during sports, when working or at rest – joints and muscles are strained each day. Therefore, a smooth synergy of joints and muscles is vital for our well-being.

The **Mineral- Cream-Blend G** is beneficial for the care before or after physical activities in times of leisure and sports. In combination with a massage the therapeutic effects are enhanced.

Apart from the selected minerals, avocado oil nourishes the skin, and castor oil acts as anti-inflammatory.

Minerals	Characteristic
Calcium phosphate	support bone structure
Iron phosphate	anti-inflammatory
Potassium chloride	structure of tissue
Sodium chloride	regenerating
Sodium phosphate	stimulates the lymph
Silica	supports connective tissue

Mineral-Cream-Blend Ge

Ge For the Care of Facial Skin

The facial skin in particular is exposed to all environmental influences, sun and cold, and thus demands special care.

The **Mineral-Cream-Blend Ge** nurtures stressed skin naturally. The face is moisturised to retain the skin's elasticity.

Apart from the selected minerals, Jojoba oil protects the skin, and castor oil acts anti-inflammatory (not comedogenic).

Minerals	Characteristic
Potassium chloride	cleansing
Potassium phosphate	regenerating
Potassium sulphate	stimulates cell metabolism
Sodium chloride	moisturising
Silica	supports connective tissue

Mineral-Cream-Blend N

N Supportive Skin Care in Neurodermatitis

Skin, affected by neurodermatitis is very sensitive. At any time, it can react to feeble influences. Thus, it is particularly important to protect the skin as best as possible and keep an eye on the symptoms. The correct care is the be-all and end-all in the treatment of this skin disease.

The **Mineral-Cream-Blend N** is suited for the supportive skin care in neurodermatitis. The mineral combination noticeably regenerates the skin. It regulates the fluid balance and the provision of the upper layers of the skin

Apart from the selected minerals, almond oil nurtures the skin, castor oil acts anti-inflammatory, and the avocado oil gives moisture.

Minerals	Characteristic
Calcium phosphate	supports cell renewal
Potassium chloride	structure of tissue
Potassium sulphate	anti-inflammatory
Magnesium phosphate	relaxes when itching
Sodium chloride	moisturising
Sodium phosphate	supports the acid-base-balance
Sodium sulphate	alleviates itch
Silica	regenerating

Mineral-Cream-Blend V

V Supportive Skin Care in Venous Disorders

No matter, during pregnancy, prolonged standing or sitting, on flights, or after a long hike – there are many situations causing the legs to feel heavy, swell, and partially ache. Varicose veins can be the result of lasting symptoms. The application and rubbing in of a cream can have a therapeutic effect. Stressed, heavy legs are revitalised.

The **Mineral-Cream-Blend V** is beneficial for the supportive care of the skin in case of venous disorders. The mineral combination assists in counteracting swollen legs and palpably nurtures the skin.

Avocado oil is rich in vitamins, castor oil stimulates the blood flow.

Minerals	Characteristic
Potassium chloride	stimulates cell metabolism
Sodium chloride	regulates fluid balance
Sodium phosphate	stimulates the lymphatic flow
Silica	regenerates

A Ingredients *(INCI):

Aqua (water), Decyl Oleate, Prunus Amygdalus Dulcis (sweet almond) Oil, Persea Gratissima (avocado) Oil, Methyl Glucose Sesquistearate, Glyceryl Stearate, Ethylhexyl Stearate, Cetearyl Alcohol, Citrus Aurantium Dulcis (orange) Peel Oil, Xanthan Gum, Phenoxyethanol, Benzoic Acid, Limonene, Iron Phosphate, Potassium Chloride, Potassium Sulphate, Sodium Phosphate, Silica, Calcium Sulphate, Ricinus Communis (castor) Seed Oil, Ethylhexylglycerin, Lecithin, Lactose, Tocopherol, Ascorbyl Palmitate, Citric Acid, Dehydroacetic Acid, Linalool, Hydrogenated Palm Glycerides Citrate, Glyceryl Oleate.

E Ingredients *(INCI):

Aqua (water), Decyl Oleate, Prunus Amygdalus Dulcis (sweet almond) Oil, Persea Gratissima (avocado) Oil, Methyl Glucose Sesquistearate, Glyceryl Stearate, Ethylhexyl Stearate, Cetearyl Alcohol, Citrus Aurantium Dulcis (orange) Peel Oil, Xanthan Gum, Phenoxyethanol, Benzoic Acid, Limonene, Mineral Salts, Iron Phosphate, Potassium Chloride, Potassium Sulphate, Magnesium Phosphate, Sodium Chloride, Silica, Ricinus Communis (castor) Seed Oil, Ethylhexylglycerin, Lecithin, Lactose, Tocopherol, Ascorbyl Palmitate, Citric Acid, Dehydroacetic Acid, Linalool, Hydrogenated Palm Glycerides Citrate, Glyceryl Oleate.

G Ingredients *(INCI):

Aqua (water), Decyl Oleate, Prunus Amygdalus Dulcis (sweet almond) Oil, Persea Gratissima (avocado) Oil, Methyl Glucose Sesquistearate, Glyceryl Stearate, Ethylhexyl Stearate, Cetearyl Alcohol, Citrus Aurantium Dulcis (orange) Peel Oil, Xanthan Gum, Phenoxyethanol, Benzoic Acid, Limonene, Mineral Salts, Calcium Phosphate, Iron Phosphate, Potassium Chloride, Sodium Chloride, Sodium Phosphate, Silica, Ricinus Communis (castor) Seed Oil, Ethylhexylglycerin, Lecithin, Lactose, Tocopherol, Ascorbyl Palmitate, Citric Acid, Dehydroacetic Acid, Linalool, Hydrogenated Palm Glycerides Citrate, Glyceryl Oleate.
